

PRACTICE PAPER TRACKER

Paper 1	Mark / 100	Grade / 9-4	Notes
α Alpha			
β Beta			
γ Gamma			
δ Delta			
ϵ Epsilon			
ζ Zeta			

Paper 2	Mark / 100	Grade / 9-4	Notes
α Alpha			
β Beta			
γ Gamma			
δ Delta			
ϵ Epsilon			
ζ Zeta			

Grade Boundaries

Grade boundaries change each year, depending on how hard that paper was and the performance of all those who sit the exam.

Based on previous AQA published data, the following is an indication of approximate percentages required for each grade:

9	8	7	6	5	4
70 %	62 %	54 %	44 %	35 %	26 %

GCSE Practice Papers

There are six practice papers for each exam, named after the first six letters of the Greek alphabet – **alpha**, **beta**, **gamma**, **delta**, **epsilon** and **zeta**.

Paper 1

- Energy
- Electricity
- Particle model and gases
- Atomic structure

Paper 2

- Forces
- Waves
- Magnets and electro-magnetism
- Space
